PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with 10+ years of experience building scalable web applications and enterprise platforms. Proven expertise in **React, Angular, C#.NET, Node.js**, and cloud infrastructure on **Azure** (App Service, Function Apps, Azure DevOps, CI/CD). Adept at translating business requirements into high-performance digital solutions, collaborating with global cross-functional teams, and leading frontend squads. Combining strong UI/UX sensibility with backend and API integration skills to deliver end-to-end solutions across B2B, eCommerce, healthcare, and logistics domains.

CORE TECHNICAL SKILLS

- Frontend:** React.js, Next.js, Angular, Vue.js, HTML, CSS3, JavaScript, ES6+TypeScript, React Router, responsive and cross-browser UI, React Patterns.
- Patterns:** Hooks, custom hooks, Context API, Redux, Zustand, NgRx, memoisation, lazy loading, code splitting, reusable components.
- Backend / APIs:** C# .NET, Node.js, RESTful APIs, GraphQL, Laravel, stateless API principles, API contracts, microservices concepts
- Cloud / DevOps:** Azure DevOps, CI/CD Pipelines, Azure App Service, Azure Function Apps, ADF, AWS S3, CloudFront, Amplify, Lambda
- Databases:** SQL Server, MySQL, MongoDB, Firebase, Supabase, schema design, query optimization, data modelling awareness
- Security / Auth:** OAuth 2.0, Azure Active Directory awareness, role-based access, frontend security, OWASP Top 10 awareness
- Testing / Quality:** Code reviews, debugging, documentation, unit testing concepts, Jest / React Testing Library familiarity, performance audits
- Tools / UI:** Tailwind CSS, Material UI, shadcn/ui, Sass, Bootstrap, Ant Design, Git, Figma, Adobe XD, Webpack, Vite, PWA awareness

PROFESSIONAL EXPERIENCE

- Senior Front-End Developer | Full Stack Contributor**
APIG Pvt Ltd

May 2025 - Present

 - Built and maintained full-stack features for **Apigenie** - a unified WMS/carrier/eCommerce platform - using **Next.js, TypeScript, Tailwind CSS, and shadcn/ui**.
 - Developed the **Wildwood Inventory Management** application from the ground up, integrating RESTful APIs and managing complex state with **Zustand**.
 - Diagnosed and resolved critical frontend performance bottlenecks, delivering measurable load time improvements.
 - Collaborated with backend **.NET** teams to define API contracts and integrate data pipelines.
- Senior Front-End Developer | React & Next.js Specialist**
Talph Solutions Pvt Ltd

Jul 2024 - May 2025

 - Delivered the **Medispec** patient appointment system for a UK healthcare client - built with **Next.js, Material UI, and SCSS** - ensuring WCAG accessibility and optimal performance.

- Enhanced **CityHire** platform (Umbraco CMS + JavaScript + Tailwind CSS), improving UI/UX and feature coverage. - Worked in an Agile squad with global stakeholders, maintaining strong communication across timezones.

Senior Front-End Developer | React & Next.js Specialist

Jan 2024 - Jul 2024

Codehouse Pvt Ltd

- Developed and optimised **Sitecore CMS** components for enterprise clients, applying performance best practices.
- Delivered an urgent project ahead of deadline through close collaboration with backend developers.
- Improved script and CSS efficiency, increasing component reusability across large-scale codebases.

Associate Tech Lead - Frontend

Nov 2018 - Nov 2023

Sana Commerce Pvt Ltd

- Led a team of 3 front-end developers on **Sana Commerce Cloud** - a B2B/B2C SaaS eCommerce platform with ERP integration - using **React, Angular, and TypeScript**.
- Drove a **40% increase** in project customisation velocity in 2019-2020 through process improvement and mentoring.
- Built custom UI components (Exploded Charts, dynamic menus) to meet client requirements, collaborating with **C#.NET** backend teams.
- Successfully onboarded and retained two major enterprise customers by addressing technical and UX concerns.

Senior Front-End Developer

Nov 2014 - Nov 2018

EasyBooking Pvt Ltd & 3PRG (Pvt) Ltd

- Led web and mobile application development teams, delivering end-to-end digital products.
- Provided frontend architecture and **React/Angular** solutions for complex business platforms.

UI Engineer

Aug 2011 - Oct 2014

Ranomark International & Victory Information (Pvt) Ltd

- Progressed from Trainee UI Designer to UI Engineer, delivering responsive web solutions across multiple industries.

EDUCATION

Bachelor of Information Technology (BIT)	SLIIT, Sri Lanka	2010 - 2013
Web Development using PHP/MySQL	SLIIT	2016
Diploma in Computer Studies	Tertiary and Vocational Education Commission	2004
